

BREMEN AREA CHAMER OF COMMERCE BOARD METING

June 18, 2020 9 AM

The Bremen Area Chamber of Commerce Board met at 9 am at the home of President Dee Mowry. Those present were Dee Mowry, Nicole Scott, Marilyn Boyd, Sue Henwood and Eric Mahler, Absent, Toni Harper.

President Mowry shared correspondence received since our last meeting.

CHAMBER SIGN LOCATED AT ST RT 37 AND 664

The committee began with discussion regarding the sign located at St. Rt. 37 and 664.

Dee shared site maps of the area. If it becomes necessary to move the sign (land is sold and new owner does not want sign on property) there was discussion as to where the sign might be relocated. After discussion the group decided that in order to move forward with sign repairs the following items need to be resolved: Mike Qualls will need to provide detailed costs regarding all aspects of all panels needed, costs for developing logo design (if needed) and proper hardware to make the sign last longer. Can Mike provide the chamber with a yearly maintenance contract? Pricing for chambers members to participate in sign along with pricing levels. A yearly contract for those participating was suggested. Notify those businesses currently listed on sign to see if they are interested in continuing for another year. The Board did agree that those listed on sign must be chamber members. No definite decision will be made until a comprehensive cost for repair is received.

HISTORICAL FIGURES

After discussi the board agreed that the figures should be outsourced to groups or individuals that will provide storage and display them during the Christmas holidays. The kiosks might be utilized by the village for different events that are held at the park. Sue Henwood and Marilyn Boyd will be in charge of getting the historical figures relocated by July 15, 2020 per Bremen Area Historical Society's request.

President Mowry reminded the group that a nominating committee will need to be in place by September. The committee will be chaired by a board member and include 2 members for the membership.

Sue Henwood expressed a concern regarding a decline in 2020 membership and that the 2019 taxes for the chamber had been filed. President Mowry adjourned the meeting.
